To Commissioner For Patents**Re: Interview & Status**

Since the Summary of the Interview (conducted on the 08/28/2009 and 08/31/2009) has not been produced by the previous Examiner:

the applicant refers this Response to the original specification and drawings of this application filed on 07/10/2006;

and is requiring another interview with the present Examiner needed to confirm which results of the previous interview shall be implemented.

Re: Response to the Notice

The response is implemented with the amendments listed below:

- Marked specification amendments "nfed-NttA-spec_marked-10apr30.pdf", related to the original specification of this application filed on 07/10/2006;
- Clean copy of the above specification amendments is supplied in "nfed-NttA-spec_clean-10apr30.pdf";
- Marked claim amendments "nfed-NttA-cls_marked-10apr30.pdf", comprising claims very similar to those filed on 08/31/2009 as basically accepted during the previous interview. The differences between the currently amended claims and those reviewed during the previous interview are marked in there.
- Clean copy of the above claim amendments is supplied in "nfed-NttA-cls_clean-10apr30.pdf";
- Return to the original drawings of this application filed on 07/10/2006, by replacing with them all the drawings filed on 09/25/2009.
